# Educational Field Trips

Permanently Chartered by the NYS Board of Regents, the Children's Museum Curriculum Enrichment Programs and Exhibits meet NYS Learning Standards in the Arts, SS, & MST. Maps, self-guided exhibit information, and follow-up visit materials are provided.

## MST (Math, Science, Technology):

**Music on the Move** Explore mathematical movement and rhythm and what function the brain plays, finishing in a fun way on our LED floor.

**The Science of Weather** Students learn the forces of nature, weather, and clouds in our weather room with live data.

**Dance of the Honeybee** Children learn the role of a beehive's social structure (via our unique life beehive) & the importance of insects

**Space Exploration** Learn about the over 100 years of flight, why we explore space, and interact with our NASA exhibits.

## ARTS (Cultural Contributions):

**Harvest Feast** With soft-sculpture food and other artifacts, children learn how the 1st Thanksgiving was celebrated.

**Dinosaurs & Fossils** Learn how scientists pieced together clues to understand the different species of Dinosaurs and their extinction.

## SS (Social Studies):

**Erie Canal History** Covers the beginnings of the Mohawk Valley and how the Erie canal impacted life in NYS.

**Moccasins & Sneakers** Children compare and contrast their lives with the Iroquois children who lived 100's of years ago.
