

**Include The Children's Museum in your year-end giving
with a generous tax-deductible contribution today!**

Coming Soon to The Children's Museum!
STEM Center with Planetarium
311 Main Street, Utica, NY 13501

Serving kids from 1 to 101; Founded 1963 by Jr League; Plans for STEM Center w/Planetarium

Please include The Children's Museum in your year-end giving with a generous tax-deductible contribution today!

If you're like us, you value our historic quality of life, family, educational resource, and tourism attraction. And you care that all Central New Yorkers will always have an aesthetically pleasing renovated historic building museum!

That's why I'm asking you to include The Children's Museum in your year-end giving this year. Our work, as unpaid volunteers, on behalf of the museum is sustained by individuals like you who believe that children's museums are essential to our happiness, learning enhancement, and economic well-being.

Please make a generous tax-deductible contribution to The Children's Museum in Utica NY today so we can continue to vigorously advocate and champion one of the oldest and finest children's museum's in the country...as we have for 50 years.

With your help we can keep fighting powerfully and effectively for this cherished place in historic Baggs Square, enjoyed and loved by so many. If you treasure our historic museum, please make a generous tax-deductible donation to our Children's Museum today.

With sincere thanks and best wishes for the New Year, Marlene B. Brown, Exec. Dir.
