

Children's Museum
311 Main Street, Utica, NY
www.museum4kids.net

The Children's Museum, located in a beautiful historic building in Utica NY, celebrates our 50th year in business! To commemorate this unique occasion, on Oct. 18th, Fri. night 5-8pm (25. Adults, \$5 children), & Oct. 19th, Sat. am, 9:30-noon (10. Adults, \$6 children), we'll be holding a Family "Space Fest". You can also purchase neat raffle prize tickets!

Enjoy NASA & Science exhibits: a Lunar Rock, food Astronauts ate in space; 'diapers' they wore! + a WUTR Skyped Astronaut! This hands -on educationally enjoyable experience, at a reasonable price lets you find out how much you weigh on planets? 'pilot' an airplane? 'run' a huge set of trains? feed hamsters & a snake? Build Lego Robotics? Enjoy an LED Play Dance Floor? An interactive Eric Canal exhibit & interactive History Diorama? Step into an Iroquois Longhouse? Enjoy a Paleontology Dinosaur Corner? Musical Stage? Push buttons on a Saturn car? interact with a 2-story Exploration Space, including Healthy Kids Hut? Climb through life-size wooden train? Enjoy PlaySpace for little ones + Baby Space!

A NY Times comment read: "We are more than our investments. We are what we do for charity & our community." When updating visions, boards & directors look at ways to earn the trust of the community that gives its time, talents & funds, developing collaborative relationships, asking for support from elected officials. Cathy Jimenez, NYSOPRHP said, "This museum is a great example of adaptive reuse of a building, balancing historic preservation w/economic development." Constructed in 1892, our 5-story brick building's Romanesque Revival exterior is imposing, the period's charm inside features a decoratively paneled central oak staircase, 14 ft. high ceilings sheathed in fancy pressed tin, & loft windows. Begun October 1963 by Jr League, our Museum now includes 4 fl for 'kids 1-101.

Event sponsors get free tickets to Space Fest & Nov. 30th "Holiday on Main St!" For more info, check: <http://www.museum4kids.net/SpaceFest.htm> Kids young & old will love it! We hope you'll be there at this cool event, unlike anything else in the region! =you'll get to see our planned STEM Center w/Planetarium + Office/Loft Apts! Children's brains form at an early age & that's when we need to get them excited over the disciplines of the future!
