

Dear Councilmember:

My name is _____. I am _____ years old and a student at _____
_____. I am writing to you because I heard that the Children's
Museum of History, Science & Technology at 311 Main Street in Utica needs your help.

I have been to the museum with my family and my school and I really like going there. My
favorite thing that I saw at the Museum was _____. If the museum closed I would
miss _____.

There aren't a lot of places in the area that have the things that the museum does. I hope that if
you can help the museum to grow and stay open that you will do it, because it's a great place
for kids to learn and have fun.

Sincerely,
