UTICA, N.Y. (WKTV) - It was a Holiday on Main Street Saturday at the Children's Museum in Utica. The event is held every year on the Saturday after Thanksgiving.

Santa and Mrs. Claus were kept very busy and the museum itself was all decked out with festive decorations.

Children's Executive Director Marlene Brown says, "Today we celebrate all of the various cultures. As you know, the Utica area has one of the largest refugee populations in the country and we have so many different religious and cultural groups that live in the area and they celebrate each in their own way, so that's what we're celebrating today."

The very popular Lighted Holiday Village at the Children's Museum will be on display until the end of the year.
